■From France oni-sens Part 1

Bonjour! It's France oji-san here~
I normally get horrible treatment as an important character how terrible~ Seriously, I get horrible treatment compared to England - Well, never mind that. If I were to compare myself with those insignificant people, it'll never end

So I will be spending the whole day today dispelling my resentment Mmm

I captured Italy!
I took a commemorative photo but is it not for the eyes of pure-hearted young ladies ?

Let's have French cuisine in the morning, in the afternoon and at night too!

Germany s noisy Bonjour! It s France onii-san here~
I ve just attacked Italy Those brothers are always turn no matter what time or age is it The problem is after I ve attacked Italy those two imitating countries will come after me let s see if I can dye Hetalia in my colours by next morning

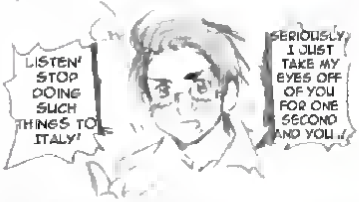
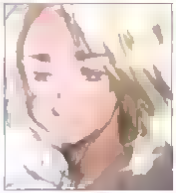
■From France onii sama Part 3

Bonjour it s France ni san here



t was s olded Don be so angry I was just doing a phys cal
d am nation Although I d d cop a feel



■Fro n France oni sama Part 4

Bonjour it s France ni san here t just made a delicious meal of that troublesome Austria I took a commemorative photo ut this is also not for the eyes of pure hearted young ladies and young masters

We Austria has not changed much since the t me of Napoleon so it went well but as for England and Germany Ah the invas on on the Hetal a page has advanced dangerously From France n san

■From France onii sama Part 5

It has been awhile but this song is still stuck in my head
You can preview it at that site. Bonjour! This onii san here can't win against age so I went to sleep and when I woke up the amount of mail I have received exceeded 4 digits. Everyone, thank you for your love letters!

These two got mad after I played at Italy's and Australia's homes. Let me do as I wish just for today, okay. These two are so hard headed (laugh)

■From France onii sama Part 6

It's nice to turn the tables for once
Bonjour! It's France onii san! I had a tough time because England and Germany were lecturing me.
There is not much left so I gave my eyes a treat.
The three baltic nations are really good. And so if I can get England and Germany, the site jacking will be complete.

■From France onii sama Part 7

Damn, Germany's a tough one. Save me! Bonjour, it's France onii san. I couldn't make much progress but I took some photos. Do you want to have a look at them?

Photo 1. Photo 2. Photo 3

I have something I want to tell you once I manage to molest England's and Germany's butts.

>> Name: Turkey
Don't you dare try anything on Japan. Or else I'll invade you.
However, you can do whatever you want with Greece.

Yes! I did it! Aah, t the England up th previous joke. So about Germany? It touch his butt.

TN: If you c ngland Su Ja

■From France, on ■ Part 9

To everyone who has kept me company today, merci beaucoup~! I had a lot of fun. I'll answer as much mail as I can in the time I have left. Thank you very much for today, everyone. It has been the best April Fools. I really have to thank the people who first started this day.

■From France on ■ Part 10

Alright! We will end the day with this!
Thank you, everyone! I love you!

Don't eat it!

The English call condoms "French letters"
The French call condoms "The English Cloak" (la capote anglaise)
What's with these low jibes at each other (laugh)

T/N: English version of that news article. As for the second link... it's a site with a list of sexual euphemisms in Japanese. I uh did not go look for an English equivalent.

>>Thank you for your hard work, Lord Demon King lol
Ah, good job to you too. France nii-san! Everything here is a treat for my eyes! I didn't think that Germany would dress up in a maid's outfit lol

What gracious words... merci~ I've overexerted myself today with all the fooling around I did. My neck is creaking. This is somewhat bad. Well, my waist is always like this so it's okay I guess!
When I was thinking about Germany I thought that he is like Italy, he's goes around naked quite often so I chose to dress him in a maid's outfit.
Ah, I laughed so much. Cat ears are good!

>>Thank you for that Japan photo at the end~ (*´∀｀)
I like France nii-chan, I love you!
But England's my number 1 (* ω)

When I was peeling off his kimono I thought it was something I would have to unwrap and roll off him but unexpectedly, the cord around his waist came off easily I was a little disappointed
I was looking forward to getting a surprise at the end of the long unwrapping process
As expected I came in second
Although I've got used to it after today

>>To France nii-chan I had a lot of fun today!
April Fools with France nii-chan is the best! (＊≧ω≦)ノ
Actually I was all restless today because I'm starting work tomorrow and I feel anxious but I was cheered up by France nii-chan
Seriously, thank you so much, France nii chan!
I'll work hard from tomorrow! Also thank you for your hard work today
Please rest, holding with a bottle of wine in your hand while gazing at the Eiffel Tower or something like that (laugh)
Please send the the person behind this my thanks for his hard work too o(_ _*)o
Anyway April Fools banzai!

There's no other person behind this! It's something I had always wanted to say*

Work huh Me too every time I have a new boss they'll selfishly do what they want There were so many times when I wanted to run away to Holland's house and become a NEET
Working is tough at any time and age
I am happy too if you are cheered up by my invasion
Shall I give you the bottle of wine I had in reserve?

T/N A reference to the manga Utsurun Desu by Yeah da Sansha

>>Thank you for your hard work!
I wanted you to strip the other baltic nations and the allies too

I wanted to strip more people too but if I made a move near Russia or Switzerland someth ng scary will happen
Safety first

>>Thank you for your hard work, France nii-chan
I am send ng you my thanks via carrier pigeon
By the way what is covering nii chan s vital regions? A rose ?
Germany s cosplay and that picture of Japan at the end had my heart throbbing!
They re so sexy

Aah it is a rose from my backyard
I'll be arrested if I go out just as I am
I have to cover my vital regions
Thank you for your kind words

>> France nii-san
You even extended your reach to Japan-kun?
I'm happy but Turkey Nii-san! Run!
Ah won t you take me with you? I love Japan too But I'll have him see us off in his kimono ?

>I will probably be alright
When push comes to shove, I have no choice but to strip Turkey too
Yeah I'll be fine It'll be fine since it's me it'll be fine since it's me~

>>I want to be part of your territory too

The moment you think that you're already mine

>>Hima-san~! Thanks for your hard work today~!
For the whole day today I was hooked on the internet lured in my France oji~ onii-san!
I had a lot of fun~!
This is probably the first time I had such a fun April Fools' Day *^^*
Next year please do visit Russia-sama !

I am the [illegible] should be thanking you for cheering me on right to the end
Must I really go to R[illegible]s place next year?
Can I handle him…?

>>I had the best April Fools Day today thanks to you France onii-sama!
I really enjoyed myself today
France onii-sama, I love you from the bottom of my heart
I also love the Lord Demon King more than France onii-sama
But please don't harm your body Please don't push yourself too far

Eh~! So I am second after all! (laugh)
I'll pass the message on to him
It's good to break out of the norm during April Fools

>>France-san~, I love you~~
After Japan, that is (eheh)

I can do nothing but laugh now hahaha

>>France-chan I love you the most!

T/N: Relevant news article in English

>>France ni-chaaaan! I love you!
Please invade to your heart's content! I totally want to be part of the French territory!
By the way, I read in a book that French people fall in love due to the other persons body odour
what do you think about that?!
What scent do you like? (＊д　＊)

Let's see. I think a faint flowery scent would have me curled up in pleasure. In the first place, the person has to look pretty to make a good impression. By the way, is your heart part of my territory?

>>I was laughing throughout your invasion and unthinkingly sent you some love via pigeon mail. Honestly. I am sorry.
I love you quite a lot, France-sama, but I don't want to get near you because your scent of your perfume seems overbearing.
I will love you from afar.
Regarding the Hundred Years' War, I like Edward the Black Prince more than Jeanne d'Arc. I love France so much that when I learnt about the Order of the Garter, I think "Why is this England's legend?"

No! I don't even want to think of that era's England. I
Why did he have to be so fiendish then?
I only use a little perfume so come closer and love me. It's really not smelly.

>> I always enjoy following your activities from the front of my computer screen. France.
You get along well with England, don't you?
When I see the two of you interacting, I can barely contain my laughter.
I think it's a tough job being responsible for the lives of so many citizens.
Please continue to work hard. I will cheer for you from this far-away island country.

Eh, no, no. I have a rotten bond with that England!
We're often together because our homes are close to each other's.
Yes, yes. It is quite tough being a nation. Our bosses are often bandy that catchphrase around.
We can't retire either. Your cheers are encouraging, merci!

>>To think that I would be able to send mail to France-san. I
Your personality is becoming more and more cracky since you first appeared (laugh) but somehow you have the spirit of an older brother so you look like someone I can feel safe with.
You pretend that you have a twisted heart but I think you're actually quite a decent person.
Ah, please teach England how to make friends.

I know right! I am totally like the whole world s older brother after all! You can rely on me for anything

About England he is the type that finds it hard to talk to people he's meeting for the first time so t s not easy for him to make friends It's a miracle that he became friends with Japan

>>Damn it! I was planning to never send you a mail my whole life but I ve just overturned my policy because of you France nii-san! Please bear the responsibility for this!

Alright I'll bear the responsibility and marry my junior of to your home He's a punk but please take care of him

>>France san! I love you!
I love you lots! But I like England too!
Please do your best today!
But don't beat up England okay?! ^^

Am I a set with England
Well as long as you say you like me I'm happy
Talking about that, the sound of the bagpipes are getting noisy

>>Do your best France~ All the fangirls are your allies
By the way France which country do you like?
Are they any countries which you are interested in?
I'll be happy if you quietly tell me everything
With lots of love from a certain mademoiselle

The Italy brothers are cute They look cute but on the inside... It's just like with Austria
Lately I've been interested in Japan

>>I choked when I saw the main page invaded by France
I love you I love you If I write that repeatedly will it become a love letter?
But I don't think Hungary will stay quiet after you invaded Austria's vital regions will she?
Even if it's you will you be okay if she hits you with her frying pan?
No matter what France banzai !

Even I will be in trouble if she hits me with her frying pan
Austria's really cute both his looks and actions But on the inside It's no go there
What a waste God is so unfair

>>Ah ah, I like you
Please remain as you are
Even if you remain as you are, or if you change for the better, or even if you run out or money I will still love you It's true

Well even after a hundred years I am still me and I think I will be like this for a while Ah but I think I'm more suited to agriculture then fighting now Hmm have I grown old?

>>France I have a reservation for the top floor suite room at a hotel for tonight.

Let's make it a passionate night tonight

>> Kyaaaaaa! Francel (laugh)
Erm I love you! Please marry me!

I've always thought that if I were to have a wedding I'll have a different one
Something like skydiving in the Alps while wearing my wedding attire (laugh)
Aah but I don't want to be like Russie nor do I want to land in Switzerland so let's just don't normally

>> It's just like France nii-chan to poke fun at even the small details!

Even though you say that you get horrible treatment as an essential character I think your presence is strong so you don t have to worry!
In fact I think you're delicious! (This is actually a compliment! orz)
Your voice is also wonderful! It s okay! (This is also a compliment)

That s right! I m awesome!
Even if I flash my naked ass and cover my front with just a leaf the fact that I m awesome remains unchanged Yeah that s it right ?

>>I would like to know your secret story with Jeanne d'Arc!

Once I start the story I'll need five days to finish it

>>Hello and good evening!
I've always enjoyed visiting this site but when I saw that France ojisama had taken over this place I sent a mail without thinking!
I love that dangerous atmosphere when you were with Austria sama, France ojisama
Could it be you are jealous because you like Hungary-san too?
I address Austria with a 'sama' but for some reason I call you ojisama, I'm sorry! But I love you!
I'll be cheering you on!

Hungary-chan is cute but she's also scary in a different way from Russia
I'm still lively and energetic, okay (laugh)
Though calling me 'ojisama' is not too bad!

>> France-san France-san
I'm pregnant.
Without a doubt the baby is yours
Please acknowledge it
This is definitely a product of France
Please don't just put this aside like you do with your wine

Who are you ?! Who?!
Are you Marianne?! Jennifer?!
I'm really sorry about that time

>>I wonder which part is France-san's vital regions?!
I would love to invade it

You will first need a massive firearm called love to do that.

>>Firstly, I want to say that I love you, France oni-sama!
Please invade all you want now!
By the way, since you said it's not sexual harassment but love, does it mean that what you did to England-san is love too?

Eh, no, that is
Hmm... it's like saying 'Je t'aime' to him just to piss him off!
Or rather, I just want to piss him off!

>>Wow, France-chan is the best, haha
Please quarrel with England-san lol

Please always be strong and upbeat lol

I m always strong and upbeat so don't worry
Or father I m "up" at the moment! Someone save my junior me!
About England I will bring him down one day

>>Bonjour ? France-san
I have a question Is it good for your health to sleep naked?

That's right. I normally sleep in a ready for-war way so I can be prepared for any beautiful men or ladies who may pounce on me

>>F-F-France ni-san~!
I just got back and something this great has happened I was surprised
Please work hard on updating this page I'll be cheering you on
I'm looking forward to more ? The Japan whom Greece likes is cute (Greece is cute too)

Japan is cute
I cannot resist his small size which I can carry like a child
But recently I was selling the copies of the Japanese flag and had a lot of money with me but I was rejected completely I can't win

>> France sama is too cute
Please invade me too (・ω・ ＊)
I love you I am cheering you on I adore your stubble
Please take care of the lower half of your body

The lower half of my body is in tip-top condition!
So much so that I have been itching to do something these couple of days
I got a little lost today so which road should I take to reach your bed?

>>Name England
Wha What the hell are you doing?!
Just stay quietly at home and do your farming you bastard!

Hahaha! You should go trim your eyebrows too
I won't let you be the only one looking cool here!

>> France-nii-chan I like you so much! I love you!
As a solo character you won't lose to even Russia-sama ! love you!
Please continue to sexually harass other countries

Hahaha that's not sexual harassment
It's love, love. It's something like telephatic love born from skin to skin contact
Love is wonderful, isn't it?

>> I just realised that you're unexpectedly quite a dandy

It's not unexpected. I am the dandy amongst the dandies

>>I just realised that France is an ojichan
I had always thought that you were an onlisan orz

No, no! It's onii-san! Onii-san!
Onii-san. Okay?! It's onii-san!
That ojisan thing was just an April's Fools joke
Mmm, yes! It's an April's Fools joke!
Haha, yes, that's right, it's an April's Fools joke
I am still young. Argh, my back is killing me

>>France nii-chan, I love you!
Um, why don't you try being the neko sometimes?
I'm always ready for you, hahe!

Meow~ There is no one more manly than I am...
Well, I'm the manliest one in the world so it's impossible in the first place

>>In the War of the Austrian Succession, England really didn't do anything, did he?
Hungary-san seems very strong-willed but she seems ready to die in that. Let me kill him, panel (laugh)

Aah! England is somehow extremely useless when it comes to matter not pertaining to him self or America
Hungary-chan's strength when she's angry has no match

>>A few years ago I was a wind instrument player in an orchestra and we performed the song "Under the Double Eagle"

If I may be so forward I would like to dedicate this song from the me in the past to the two of them!

You should play "La Marseillaise"! La Marseillaise!
This song was composed in a day by an engineer who became a captain
Thanks to this song, a lot of volunteer soldiers were gathered

>> Are you good friends with Greece-san?
Who are your friends?

If you're talking about friends I don't have many
Times like this that person's name will crop up won't it?
It's a rotten bond Greece is like my senior when it comes to culture
I'm also turned on by his swarthy skin and muscled body

I'm sorry –

>>Hello. France-kun-san.
You're more shy than usual today (laugh). It's great!
I have a question. What do you think of Switzerland?

He s scary I don't even want to go near the Maginot Line

>>Name Greece
Anyway, go put on your clothes first

But you like my body too~

>>I love you honey~!
You re not my number two you're my number one!
But England s the one I love second best.
I love people from these two countries
France so you like Italy the best after all?
Why don't you try giving me half of that love?

Let's not talk about halves I can give you all my love and more
So why s England the one after me
I guess I am somehow connected to him after all

>>Hello, France nii-san
A few days ago I received some French chocolates from my teacher who went there for her honeymoon They were delicious

I know right! I don't stint on love even in making chocolates That's my way of doing things So of course it's delicious!
Compared to me America and Australia think that all they have to do is heap sugar into the chocolate...

>>This may be sudden, but I love you
I always want to be nearer to you but I don't like airplanes
Won't you move to a place near enough that I can reach you by train from Japan?

That's a good idea If I'm near Japan I can go to Akihabara as much as I want
However I like my current place so that request is an impossible one

>>I totally choked and sprayed lemonade all over my PC (laugh)
Mucus was leaking from my nose tears from my eyes I couldn't stop coughing or act normally
I wonder what this feeling is~ Could this be love
Please try your best so you won t lose to England!
I like England but I m cheering for you today nii-chan!

Are you okay after choking on your lemonade?!
Or rather... t must be painful since it a lemonade
Well t that is what ties you to your love all your joys and sorrows will be a good experience for you
It s my day today so be sure to follow me everyone!

>>France nii-chan! I love you!
By the way right now the situation with Japan is
Greece → Japan ← Turkey
It's a tough situation so won't you do something with your power of love? (laugh)
For example,
Greece → Japan ← Turkey
↑
France

Hey hey Japan s in a even tougher spot now (laugh)
Turkey s there so I ll hold myself back...

>>When I woke up I saw that France nii chan was doing something amazing so I sent a love letter w thout holding anything back
I believe that France nii-chan s heart is closely covered by your stubble and your body hair and if I push them apart I will see the word gentleman' written there With lots of love

Hey that's quite a disturbing mental image of my heart (laugh)
Well that gentleman' bit is true though

>> Hello, France-san
Actually I don't think nudity is very sexy so I hope you will reach for the pinnacle of eroticism while fully-clothed next time

I also like the kind of eroticism where the person is clothed with just their important bits visible

[redacted] so I got a shock
[redacted] k Hetalia
does that mean that you will be [redacted] the other Allies too?
France oji-san is a gentle person so this is just a lie, right?

The bump was because Romano suddenly got violent
Romano was pretty good at first but because of his personality even the tourists ran away
By the way I only touched his butt Thanks for the meal
Right now I m playing Bokosuka with with Germany and England What should I do with them if I win?

■ I've finished replying × ■

Bonjour! It's France oni-san
I'm really exhausted after running amok for the whole day
Damn. I must be getting old. No. I'm still young! Yeah!

Thank you for all the pigeon mail
Right now, my room is amazingly full of carrier pigeons
What should I do now? Eat them? Should I eat them?!

It's been awhile since I had such a long 24 hours. I want to throw a kiss to everyone who has been following me for these silly 24 hours but this oji-san here is at his limits already

I'm going to drink the rest of the night away
I had fun today with everyone following me!
Please send me more pigeon mail the next time we get together like this

Je suis amoureux de toi!

With lots of love from France

PS Who should I strip next?
